

Dear Parent,

We need your help to make the our Children Program function correctly.

First - Here is the dress code for all Campers (10 years and above):

NO tank tops or Spaghetti straps, no low cut blouses.

Shorts, skirts, dresses or culottes must be at least knee length. If your child tells us they didn't bring any clothes that fit this rule, then we may ask them to wear whatever attire we have on hand that would be appropriate.

Second - Please make sure that your Children do NOT

bring any electronic entertainment devices.

It has been our policy for many years that if a child brings such things to class, that it will be kept by the teachers or other appointed children workers (Mrs. Maggie Shi and Mrs. Sarah Wang) until camp is ended.

Third - YOU are responsible to make sure that your child is on time to all classes.

If they are sick or cannot come to class, YOU must notify the Children workers. When children do not show up for class, Pastor Ko, Maggie or Sarah must take their valuable time to find which room they stay in, who the parents are, etc.

Fourth - Please have your child bring his / her Bible, as they need to be involved in a personal devotion time, and we will be having Daily Bible Study in Class. We also have some Bible Verses for them to memorize.

Fifth - During class time, it is the children workers responsibility to take care of your child. Parents, please remain in your class room. When class is ended, it is the parents' responsibility to take care of your child. Please go to pick up your child when the class has ended. Please take care of your child carefully by yourselves. Please do not allow your child walk around the camp, by themselves. Make sure they are not close to the Lake.

Thank You for Your Cooperation. It is much appreciated
